

RICHARD A. SCHWADEL

www.rschwadel.com • EDITOR • pixelranch@telus.net

My work is grounded in story, structure, and tone. I bring a calm, solutions-driven presence to the cutting room, shaping performance and rhythm across television and features. Comedy is my foundation, but I thrive on projects that demand nuanced performances in any genre. I've collaborated with Bob Odenkirk, Jason Alexander, Peter & Bobby Farrelly, Nicole Holofcener, and Nora Ephron.
